

NOTES ON REGISTRATION

PLEASE help the Registration Committee by pre-registering!

Pre-registering helps by saving you or your Company by saving money. You may pay at the door, but you do not have to pay the extra fee!

Pre-registering and payment by March 17 means you have a packet with your name tag and receipt ready to pick up on arrival. No Waiting!

Pre-registering does not mean you lose your money if you can not attend. If you cancel before the conference begins your money will be refunded or if payment was to be at the door you will not be charged.

Please submit a separate form for each person registering. This helps keep the registration better organized.

Please mail your registration by March 17! We will really appreciate it!

Please email any questions to galaj@socket.net

Thanks!
