

LIFETIME ACHIEVEMENT AWARD

The Lifetime Achievement Award was created by the Missouri Milk, Food and Environmental Health Association's Executive Board and first awarded in 1999 and is the most prestigious award given by this organization. This award is bestowed upon long-time members with dedication to the high ideals of MMFEHA and its mission. The recipient's accomplishments reflect his or her unselfish dedication and service to the field of Public Health and the goals of the Missouri Milk, Food and Environmental Health Association.

Nominations for the Lifetime Achievement Award are made solely by the Executive Board members, although suggestions from the membership will be considered.
